

AGENDA ITEM: 10

NORTH WALES FIRE AND RESCUE AUTHORITY

21 September 2015

STATEMENT OF ACCOUNTS 2014-15

Report by Ken Finch, Treasurer to the Authority

Purpose of Report

- 1 This report is to present to Members the audited Statement of Accounts for 2014-15 and the Annual Governance Statement.
- 2 This report was presented to the Audit Committee on the 14 September 2015 in order for its members to review the contents before submission to the Fire and Rescue Authority. The Audit Committee had no major observations nor could find any major risks in the report and would recommend it be approved by the Authority.

Information

- 3 In compliance with the Accounts and Audit Regulations (Amendment Wales) 2010 it is a requirement that the audited accounts are approved by Members by 30 September.
- 4 It is also a requirement that the Annual Governance Statement is presented to Members with the Statement of Accounts and this has been included as an appendix to the accounts. The statement has been prepared in accordance with the principles contained within the 'Framework for Delivering Good Governance in Local Government' issued by the Chartered Institute of Finance and Accountancy (CIPFA) and the Society of Local Authority Chief Executives (SOLACE) and was scrutinised by the Audit Committee prior to approval by the Fire and Rescue Authority on 15 June 2015.

- 5 Members were presented with a financial performance report for 2014-15 which detailed the actual spend for the year against budget and Members approval was sought to set aside money from the underspend in to a number of Reserves and Provisions. These transactions have been enacted in the accounts, the details of which can be found on pages 32 and 33. This report was also scrutinised by the Audit Committee prior to approval by the Fire and Rescue Authority on 15 June 2015.

Reserves

- 6 Usable reserves consist of the General Reserve, Earmarked Reserves and Grant Income brought forward from the previous year. These reserves can be used by the Authority to finance expenditure in future years. Unusable reserves are non-cashable and consist of money already set aside to finance expenditure; revaluations to reflect increase in asset values; and the Pension Reserve which is a deficit reserve.

Audited Changes

- 7 The accounts have now been audited by the Auditor appointed by the Wales Audit Office and have been amended in line with the findings from the audit.
- 8 All misstatements were corrected during the audit and none were significant enough to report separately. These included a number of presentational and numerical changes to the financial statements, none of which had an impact on the Comprehensive Income and Expenditure Statement and Balance Sheet.

Audit Recommendations

- 9 To comply with the Code of Practice it is recommended that assets are revalued every 5 years to ensure the values reflected in the Balance Sheet are current and reflect current market trends. The Authority has adopted a policy of valuing property on a rolling basis rather than carry out a full valuation every 5 years.

- 10 Unfortunately not all properties were captured within the 5 year period. The recommendation stated that 'the Authority should review the current revaluation policy to ensure the approach to valuation of property, plant and equipment is consistent with the requirements of the Code'. It is proposed to recommend to the Fire and Rescue Authority to change the revaluation policy for Property so a full revaluation is carried out every 5 years, the next revaluation to be undertaken 1 April 2016.

Letter of Representation

- 11 Attached to this report, as Appendix 1, is a letter of representation addressed to both the Wales Audit Office and KPMG from the Authority. It is a requirement of Auditing Standards in that KPMG needs to obtain representations from the Authority to support its audit opinion. The letter provides further detail.

Recommendation

- 12 That Members:
- (i) approve the audited Statement of Accounts for 2014-15;
 - (ii) approve that the policy for revaluing assets is changed so that a full revaluation of property is undertaken every 5 years;
 - (iii) note the Letter of Representation.
